Connexion Worldwide Partnership works
with evangelical christian churches around
the world. Like the Apostle Paul we
“preach Jesus Christ and him crucified”.

We work by invitation of the local church to
provide training, materials, and volunteers
to reach their community with the gospel
and emphasize discipleship of the new
believers.

CONNEXION PROJECT

Twenty-five churches in Accra, Ghana have invited Connexion to partner with them to help reach their community with the gospel of Jesus Christ.

Prayer support is pivotal. Host church members will **list the names of 10 lost friends, family, coworkers and neighbors** on a Connexion Prayer Card.

God put these people in my circle that need to make a **CONNEXION** with Jesus?

- 1- _____
- 2- _____
- 3- _____
- 4- _____
- 5- _____
- 6- _____
- 7- _____
- 8- _____
- 9- _____
- 10- _____

Keep this card in a visible location and pray for each person on your list daily by inserting their name in the blank below.

Lord Jesus, you desire for _____ to have a personal relationship with you, I want that too. I ask you to soften and prepare their heart and mind to receive the gospel. I bid Satan who has blinded them to the truth, Holy Spirit open their eyes to the light of the gospel. Lord, send someone to share the Good News with them or give me the power and the words to speak to them myself.

Help me to continue to carry them to You in prayer and help me carry You to them through my words and actions. Don't let me give up until that day You say, "Come, follow me" and they do, in Jesus name, Amen.

Each day, for the four weeks leading up to the project, church members pray fervently for ones they have listed on their Prayer Card. These prayers soften and prepare the hearts and minds of the lost to hear the gospel.

When the Connexion team arrives, we enter a field made ripe unto harvest through the prayers of the saints.

The ones they have been praying for then become our “visitation list”. Home visits are scheduled where U.S. participants will share the gospel using the EvangeCube and the Connexion witnessing tract and invite them to trust Jesus as Savior and Lord.

There will also be visits at schools, businesses, marketplaces, door-to door and other “divine appointments” God sets up.

On average, **for every American who participates** on a Connexion project, **over 100** men, women, boys, and girls **will indicate they accepted Jesus as Savior and Lord!**

During the project week, **local church members are taught how to share the gospel by watching the U.S. participants** so the evangelism can continue even after we have returned home.

We believe Discipleship is a command of Jesus. Therefore, Connexion provides the pastors/churches with a discipleship program to teach to the new believers and church members. The host pastor will teach one session each Sunday for 6 weeks, after the evangelism project.

“Go ye into all the world and preach the gospel.” Mark 16:15
